This course is designed to prepare our students with the knowledge of Wicca 101. The course will provide a basic foundation for an individual who wishes to follow the Pagan, path to a three year degree in coven mode, or the year and a day for self-dedication as a solitary.

Along with the basis Buckland's Complete Book of Witchcraft and the supplemental book for coven study, Amber K's Coven Craft each student will have all they require to begin their journey.

Others who wish to self-dedicate to Goddess and God will do so at a closing ceremony at end of the course.

First Degree Initiation to Hekate's Sacred Temple will be by invitation only upon completion of this course.

Wishing all of you the best in your quest for your highest purpose.

Hail Hekate
